### "Play it Off"

Visit "[Play it Off](#)" on [MotoLyrics.com](http://MotoLyrics.com)

[Chorus: Pharrell]

She got that ba-da-buh-da  
Your girl ain't gotta know I hit ya last night  
I was all over your body goin ba-da-buh-da  
Dame be such a hottie  
Yo she's lookin over here but she won't get it out me  
y'all  
Shake it off, that's how you play it off  
Shake it off, that's how you play it off  
Not now, no you can't take it off  
But play it off, she won't know a damn thing

[Pharrell]

I play it off 'til it's played out  
I had her motherfuckin ass on the couch, honey laid out  
She hintin around at gettin ate out  
I know I'm spaced out (yeah) but the shit sound way out

[Nelly]

So I had to take a playa out, switch up my whurrabouts  
Cause she was tryin to turn a playa out  
And plus she know a nigga blazed out  
And lil' mama gon' crack a window, let the haze out

[pre-Chorus: Pharrell]

She said she loves that stroke  
Keep on her heels and her coat  
Then she say she loves my moves  
And the way I do, what I do  
She got that ba-da-buh-da  
Gotta make, sure, I don't get attached  
That ba-da-buh-da  
But it keeps, on, bringin me back

[Chorus]

[Pharrell]

The Sun sick a triflin, so sick he have ya snifflin  
Plus the chains like the nigga Slick Rick an' them

[Nelly]

We had pick of them, strictly all dimensions and  
Not to mention in the Benjamins is thickenin

[Pharrell]

And now it's like a odyssey when she sayin hi to me  
She eat the dick, then she cry when she gotta leave

[Nelly]

Bye, bye, you gotta go now (yeah)  
My girl, just, pulled up outside

[pre-Chorus]

[Chorus]

[Pharrell]

Just know the whole hood is lookin at you  
So don't let your girl catch you

[Nelly]

So have your story right, on how we met  
Just have your story right, and don't never forget  
You need your story right, cause she'll be upset  
Her inner feelings'll be disrespect, but

[pre-Chorus]

[Chorus]

[Nelly]

Story right  
(Just know the whole hood is lookin at you)  
Story right  
(So don't let your girl catch you)  
Story right..
