"Spill The Light"

Lost in thought
of the final light
Out of time
stayin' home
Time can drift away

Sun shines down
The moon fills my sky
Thin blue silk, it steals my time
Life can drift away
I can stay awake

But I know it ain't over till tonight
Yeah I know, I try to spill the light
Ah Aaaaaah
Sun I've found
crashin' down
Oh Oh Oh Oh Oh Ohhhhhh

But I know it ain't over till tonight
Yeah I know I try to spill the light
Yeah I know it ain't over till to niight
I try to spill the light
Ah Aaaaaah

Sayin' no more (x4)
