[Intro]

[Verse I:]

The stars are fallin down from the sky
And its like the tears you always cry
But if I have one wish before I die
I want you to stay here by my side

Cause I don't want to see you cry
And I don't you to say good bye
Will you keep my heart alive
Til the last breath of my life

[Chorus:]

I feel so cold

And I feel so down
When your not around
Its like my whole world turning
Up, side down

[Verse II:]

Time may pass us by but baby,
Will you ever be mine
I think its over now
To let you know that love you so

[Repeat Ref]

[Repeat Chorus]

[Adlib: Instrumental]

[Repeat Chorus: 2x]
