You know I can't satisfy your love
I can't satisfy
You see I can't satisfy your love
I can't satisfy

I found out in time
What was on your mind
You never meant to stay
Did without me anyway

One of the chosen few
Did what you told me to
All you ever did was lie
I can't satisfy

So I can't satisfy your love
I can't satisfy

You seem so complete
So pretty and sweet
But never knew I'd know
Just which way you're going to

Sometimes I wonder why
Why do you make me cry
Why do the love inside
Swallows up all of my pride

And I can't satisfy your love
I can't satisfy
And I can't satisfy your love
I can't satisfy

You seem so complete
So pretty and sweet
But never knew I'd know
Just which way you're going to

Sometimes I wonder why
Why do you make me cry
Why do the love inside
Swallows all of my pride

And I can't satisfy your love
I can't satisfy
I can't satisfy your love
I can't satisfy

One of the chosen few
Did what you told me to
All you ever did was lie
I can't satisfy

And I can't satisfy your love
I can't satisfy
I can't satisfy your love
I can't satisfy

And I can't satisfy your love
