Here's something that you never had  
It's slid in on an oily rag  
The price is right up on the tag  
I'll put it in a brand new bag

This thing will let you be yourself  
And won't offend nobody else  
Nothing like you ever saw  
And it's not against the law

Why don't you check out your mind  
Been with you all the time?  
People thinking they been took  
Just finding out they overlooked

They never found the missing link  
Forgot they had a mind to think  
Why don't you check out your mind  
Been with you all the time?

Why don't you check out your mind  
Been with you all the time?  
Check out your mind, check out your mind  
Check out your mind

Trust in me and I in you  
No matter what you see me do  
I'm doing me for all I'm worth  
None do me better on this earth

Why don't you check out your mind  
Been with you all the time?  
Why don't you check out your mind  
Been with you all the time?

Why don't you check out your mind  
Been with you all the time?  
Why don't you check out your mind?  
Why don't you check out your mind?

Why don't you check out your mind?  
Why don't you check out your mind?
