We people who are darker than blue
Are we gonna stand around this town
And let what others say come true?
We're just good for nothing they all figure

A boyish, grown up, shiftless jigger
Now we can't hardly stand for that
Or is that really where it's at?
We people who are darker than blue

This ain't no time for segregatin'
I'm talking 'bout brown and yellow two
High yellow girl, can't you tell
You're just the surface of our dark deep well

If your mind could really see
You'd know your color the same as me
Pardon me, brother, as you stand in your glory
I know you won't mind if I tell the whole story

Get yourself together, learn to know your side
Shall we commit our own genocide
Before you check out your mind?

I know we've all got problems
That's why I'm here to say

Keep peace with me and I with you
Let me love in my own way

Now I know we have great respect
For the sister, and mother it's even better yet
But there's the joker in the street

Loving one brother and killing the other
When the time comes and we are really free
There'll be no brothers left you see

We people who are darker than blue
Don't let us hang around this town
And let what others say come true

We're just good for nothing they all figure
A boyish, grown up, shiftless jigger
Now we can't hardly stand for that
Or is that really where it's at?

Pardon me, brother, while you stand in your glory
I know you won't mind if I tell the whole story
Pardon me, brother, I know we've come a long, long
way
But let us not be so satisfied for tomorrow can be an
An even brighter day
