Yeah, yeah, yeah
Yeah
Yeah, yeah, yeah
Yeah

I wake up, start the rush
And pour some coffee
Things to do pile up
Oh so quickly

Too many days I feel like
I run on empty
Does anyone else out there
Feel like me?

Oh but I'd be a fool to forfeit
The chance to take a moment
For You to rise like the dawn
Over my cold, tired heart, heart

And what I thought I had lost
Finds me when I stop
Stop and listen, yeah, yeah, yeah, yeah

It's the same slowing down
Lesson we all learn
But I don't pay much attention
Till I crash and burn

Oh but I'd be a fool to forfeit
The chance to take a moment
For You to rise like the dawn
Over my cold, tired heart, heart

And what I thought I had lost
Finds me when I stop
Stop and listen

So all together
Let's stop and sit at His feet
My sisters and brothers

For You to rise like the dawn
Over my cold, tired heart

And what I thought I had lost
It finds me when I stop
It finds me when I stop
Stop and listen, yeah

Stop and listen, yeah
Stop and listen, yeah
Stop and listen, yeah
Stop and listen
