I thought I had my freedom
You didn't even ask
It hit me like a shotgun
Like a cannon blast

And you are so elusive
Why you gotta be so detached?
From the corner of your eye
I thought I saw you look my way
Did you see me looking back?

Oh, I just want to know

Baby, do you see me
The way I see you, the way I see you?
Baby, do you see me
The way I see you, the way I see?

And why do you give me
So little of you?
I'm out here on thin ice
Hoping I don't break through

You can say you are naive
But I, but I think you know the truth
You've made a prisoner of me
But I'm hanging on to the belief
That my time is almost through

Oh, yeah I just want to know

Baby, do you see me
The way I see you, the way I see you?
Baby, do you see me
The way I see you, the way I see?

I wanna know
I wanna know

Baby, do you see me
The way I see you, the way I see you?
Baby, do you see me

The way I see you, the way I see you?

Baby, do you see me

The way I see you, the way I see you

The way I see you, the way I see?
