Forever young  
I'm gonna be  
Forever young  
Nothing in this world  
Compares to me

Spare me, ugly world  
I think I'll never learn

Shut up, Narcissus  
Take a better look, man  
See what the water says  
Drink all her kisses  
Don't you think you need it, then?  
Children of God need love

Shut up, Narcissus  
Take a better look, man  
See what the water says  
Drink all her kisses  
Don't you think you need it, then?  
Children of God need love

Forever young  
Needless to say  
I'm on the run  
There's no place on this earth  
For being me

Forever young  
Destined to be  
Forever young  
I'm looking at the moon  
But I can't leave

Spare me, ugly world  
I think I'll never learn

Shut up, Narcissus  
Take a better look, man  
See what the water says  
Drink all her kisses

Don't you think you need it, then?  
Children of God need love

Shut up, Narcissus  
Take a better look, man  
See what the water says  
Drink all her kisses  
Don't you think you need it, then?  
Children of God need love

Love's not for me  
Love's not for me

Shut up, Narcissus  
Take a better look, man  
See what the water says  
Drink all her kisses  
Don't you think you need it, then?  
Children of God need love

Shut up, Narcissus  
Take a better look, man  
See what the water says  
Drink all her kisses  
Don't you think you need it, then?  
Children of God need love
