Na na na na na na now
Baby give it up
Give it up baby give it up

Na na na na na na now
Baby give it up
Give it up baby give it up

Everybody wants you
Everybody wants your love
I just like to make you mine oh mine

Na na na na na na now
Baby give it up
Give it up baby give it up

Na na na na na na now
Baby give it up
Give it up baby give it up

Everybody sees you
Everybody looks and stares
I just like to make you mine oh mine

Na na na na na na now
Baby give it up
Give it up baby give it up

Na na na na na na now
Baby give it up
Give it up baby give it up

Like a lively rhythm
Like a rhythm alive
Like a trouble making work from 9 to 5
Like any turn you work and earn
That's how the court's been adjourned
I got a lot to learn
I'm making static
You the addict still I'm at it
If only you discover the school time fanatic

Give it up give it give it give it up
If only we're together we can waste their time

Everybody wants you
Everybody wants your love
I just like to make you mine oh mine
Mine

Na na na na na na now
Baby give it up
Give it up baby give it up

Na na na na na na now
Baby give it up
Give it up baby give it up

Can you give it can you give it
Give it up come on baby
I need your love

Give it up some of your love
Come on baby give me love
Everybody is in need
Give it up
Come on baby I need your love
And I touch and I love you
Come on baby let me feel your loving
