Oh Girl,
I want to see you tonight,
Oh it's been days since I held your hand you know
It feels like years if you understand,

Oh girl,
Can you come over to my house?
Oh we can do things that we've never done,
We can just talk it can be such fun.

Oh darling,
Oh won't you come and stand next to me,
Oh let me whisper in you ear,
People see then, I don't care.

Oh girl,
Can you come over tonight,
Oh tell me those words that I want to hear,
You can just whisper in my ear..

Don't you know that life depends on a night with only
you?
Don't you think that you'd like to stay with me, too?
Because you can if you just take my hand,
Come on girl, I'm waiting here for you,
Because you can if you just take my hand,
You know that it's true..

Oh Girl,
The way you look it just blows my mind,
All that I want is to be next to you,
So tell me babe, what time's best for you,

Oh Darling,
Can you come over to my house?

Oh we can do things that we've never done,
We can just talk it can be such fun.

Don't you know that life depends on a night with only
you,
Don't you think that you'd like to stay with me, too,

Because you can if you just take my hand,
Come on girl, Iâ€™m waiting here for you,
Because you can if you just take my hand,
You know that itâ€™s true..

Oh-oh-oh.

Donâ€™t you know that life depends on a night with only
you?
Donâ€™t you think that youâ€™d like to stay with me, too,
Because you can if you just take my hand,
Come on girl, Iâ€™m waiting here for you,
Because you can if you just take my hand,
You know that itâ€™s true..

Oh Girl,
I want to see you tonight,
Oh itâ€™s been days since I held your hand you know
It feels like years since you understand,

Oh girl,
Can you come over to my house?
Oh tell me those words that I want to hear,
You can just whisper in my ear..

Oh Girl..
