

Cut The Shit "From Bad To Worse"

Visit "[From Bad To Worse](#)" on MotoLyrics.com

I can't help but feel that my life is falling apart,
each endeavor i make goes to shit right from the start.
i'm fed up with feeling hurt and confused all the time,
i'm so sick of hearing that everything will be just fine!
i've watched things go from bad to worse,
and i'm not sure how much more i can take!
life's got a whip to my back at all times,
it feels like i just can't get a break.

frustrated attempts at finding happiness,
i don't want your sympathy so give it a rest!
i've tried so hard to make sense of it all,
but i know deep down that i'm losing control.
i've watched things go from bad to worse,
and i'm not sure how much more i can take!
life's got a whip to my back at all times,
it feels like i just can't get a break
