"Tell Me Why"

Visit "[Tell Me Why](#)" on MotoLyrics.com

Every time I look at someone new

Tell me why I think of you

Then you sometimes pass me by

You're playing with love

Darling, tell me why

You left me all alone

To cry over you

My heart is torn and broken

And there's nothing left to do

In my prayers, I'll mention you

Without your love, I feel so blue

Why can't I have all of you

Oh, somebody, please tell me why

Oh, won't somebody please tell me why
