They say for every boy and girl  
There's just one love  
In this whole world  
And I know I've found mine

The heavenly touch of your embrace  
Tells me no one can take your place  
Ever in my heart

Young love, first love  
Filled with true devotion  
Young love, our love  
We shared with deep emotion

Just one kiss from your sweet lips  
Will tell me that your love is real  
And I can feel that it's true

We will vow to one another  
There will never be another  
Love for you or for me

Young love, first love  
Filled with true devotion  
Young love, our love  
We shared with deep emotion
