Your cheating, you faggot but did you look at what your  
with  
I'll hurt you, but slowley you see my axe then run away  
No turning back, I wont regret no, it is all worth it  
I'll kill you, but first I have to say

It's alright, she's ok  
She'll do must better then you now,  
Fuck, belive me  
Alright, ok?  
So don't you worry bout my nerd,  
No matter what happens  
You wont return, her heart is broken  
Buddys fucked now,  
Alright, ok  
She'll do must better then right now,  
Fuck, belive me

You hurt her, betraid her  
Your love was nothing but a game  
Just pick a tool, I'll kill him now  
You just couldn't help but cheat  
Liar, but soon you'll see things clear

It's alright, she's ok  
She'll do must better then you now,  
Fuck, belive me  
Alright, ok?  
So don't you worry bout my nerd,  
No matter what happens  
You wont return, her heart is broken  
Buddys fucked now,  
Alright, ok  
She'll do must better then right now,  
Fuck, belive me

Don't waste your ficton words on her,  
Just save them for that jessy one  
It's way too late, you 2 timer

It's alright, she's ok  
She'll do must better then you now,

Fuck, believe me  
Alright, ok?  
So don't you worry bout my nerd,  
No matter what happens  
You won't return, her heart is broken  
Buddys fucked now,  
Alright, ok  
She'll do much better than right now,

I won't regret it...
