Black hair, with the lice underneath
She's got the breath of an elfs fucking dick on her teeth
She's greasy (greasy) & she needs a shower
She's got fat on her tummy & needs to diet

W-w-w-whore
Always telling me off, while her tongue is on the inside
of a fucking rats teeth.
& Tell your "boyfriend", that he's gonna get beat
Cause he's a stupid fucking rat & I aint fucking scared
of you

(Chorus) x2
She wants to beat me, whoah
She wants to kill me, whoah
She'll never touch me, whoah woah woah

Don't trust a whore
Never trust a whore
Won't trust a whore
She wants to kill me

Lices, in the back of your hair
Wash them in the bathroom to get rid of them
& The chocolate, you stole from the store
Is making you really fat you stupid dumb whore

Br-br-br-bruises, will cover your face
Your shaking in your house hiding with your mom
& The best is, we all know were you are
Just an another whore, alone & single

(Chorus) x2
She wants to beat me, whoah
She wants to kill me, whoah
She'll never touch me, whoah woah woah

Don't trust a whore
Never trust a whore
Won't trust a whore
She wants to kill me

Shush rat, shut your lips
Go fuck jenna & get a life
I said shush rat, shut your lips
Go fuck jenna & get a life
I Said shush rat, shut your lips
Go fuck jenna & get a life

Woah(whoah) x10

(Chorus) x2
She wants to beat me, whoah
She wants to kill me, whoah
She'll never touch me, whoah woah woah

Don't trust a whore
Never trust a whore
Won't trust a whore
She wants to kill me
