You have a big nose,
You masturbate every sunday morning
We creep you when were bored
& it's scary you liked carmie... ?

Your going out with taylor.
Bc u were bored
You don't make a good cuple.
Cuz she's a whore

And you try... to be nice to her.
But she's soooo annoying.

And... we creep you, and we seee
You in your window, then you duck down.
Your mom, is such a slut..
Such a slut, you have 6 brothers.

You left carmie when we were little.
Then she was mad...
Now she's gunna, hate you for life.

And it's all, butters fault
And hess soooo imutureee.

Now all of us a co-friends
And ur our new cody.

Come then go away
