You are confident, so we will ruin you day & Channing, that's just us.

We are supermodels, we do what ever we wanna, Dustin, that's just us.

Well, some may may were evil & were cruel, because of things we do,

& cause when I, had a sudden erg to kill a fag, well it's just for the fame,

In our evil thoughts again. (again, again)

Who said I can't chop up Cody with a hatchet, well baby, that's just us.

Who said we can't be funny, to write songs bout killing people,

Baby that's just us.

Well, some may may were evil & were cruel, because of things we do,

& cause when I, had a sudden erg to kill a fag, well it's just for the fame,

In our evil thoughts.

Tell me, do you do the things we do, cause none of this is real,

With these evil thoughts again.

Some may may were evil & were cruel, because of things we do,

& cause when I, had a sudden erg to kill a fag, well it's just for the fame,

In our evil thoughts again, & I'm not gonna change with these evil thoughts again. I will stay the same, with these evil thoughts, again.
