And you'll both go, die together
You'll suffer forever, just tryna survive
And I'm sorry, you were a douche bag
When you said you were sorry
You just fucking lied

Well I'm thinking of funny things, that I could do to you
But funny isn't anything anymore.
And this will never be ok with me, and now your crying
desperatly
But you fucked up and now your gunna pay

And you'll both go, die together
You'll suffer forever, just tryna survive
And I'm sorry, you were a douche bag
When you said you were sorry
You just fucking lied
So I cheated

I could only write those love songs, about you all the
time
But now I can write bout killing you, and when you did
all your wrongs
And this never will be ok with me, now your crying
depratly
But you fucked up and now your gunna pay

And I never told you everything, about how I cheated
on you
And all the fucking black mail I have on you

And you'll both go, die together
You'll suffer forever, just tryna survive
And I'm sorry, you were a douche bag
When you said you were sorry
You just fucking lied
So I cheated

And you'll both go, die together
You'll suffer forever, just tryna survive

And you'll both go, die together

You'll suffer forever, just tryna survive
And I'm sorry, you were a douche bag
When you said you were sorry
You just fucking lied
So I cheated
