If I were Tyler Assoun, even just for a day
I'd roll out of bed in the morning & shave the mop off
my head
Drink beer with Janelle, & chase after Allie
You can't get away with what you want, because I have
a hatchet with me & I will kill you.

(Chorus)

If I were Tyler Assoun
I don't think I would understand, how he "loves" girls
But I swear I'D be a better man...
You don't listen to 'her', you don't care how it hurts?...
When she lost the one she wanted, cause your taking
her for granted
& Everything she had got destroyed...

If I were Tyler Assoun
I would throw out my phone
Tell everyone it's broken
So Mariah will stop pranking & leave me alone

I put myself first
Because I am a conceited fag...
& She was always faithful waiting for me to come home
(To come home)

(Chorus)

If I were Tyler Assoun
I don't think I would understand, how he "loves" girls
But I swear I'D be a better man...
You don't listen to 'her', you don't care how it hurts?...
When she lost the one she wanted, cause your taking
her for granted
& Everything she had got destroyed...

It's a little too late for you to come back
Well it's just a mistake
Think she'd forgive you like that
If you thought she'd wait for you
You thought wrong...

But your just Tyler Assoun

You don't understand (And you don't understand)
How it feels to love a girl
Someday you'll wish you were a better man...

You don't listen to her
You don't care how it hurts
When she lost the one she wanted, cause your taking
her for granted
& Everything she had got destroyed...
But your just Tyler Assoun...
