My bestfriend gave me, the best advice
She said kill them all and it will be alright
Hurt them with an axe, leave your fears behide...
& Try to take revenge on all of them
Every hit they take, is closer to dead

(Chorus)

If Today Was Their Last Day, if tomorrow was to late
Would they stop being mean bitches?
Would she regret the chocolate milk?
Leave the rumors in the past?
Stop throwing food at us?...
If Today Was Their Last Day x2

Every chip throwen should be an extra stab
Cause you deserve the worst you bitches
We never did anything... you just heard rumors
So we'll kill you like you never would of thought
Every chip will count, now there's no second trys...

(Chorus)

If Today Was Their Last Day, if tomorrow was to late
Would they stop being mean bitches?
Would she regret the chocolate milk?
Leave the rumors in the past?
Stop throwing food at us?...
Would Shyleen stop being mean?
Cavell stop giving dirty looks?
Would they forget their enemys?
Would they finally give it up?
After all that they have done?
Would they just leave us alone?
If today was their last day, if today was their last day...

Would they make it up, by mending a broken heart?
You know it's never to late, to stop being mean
Regardless of who you are...
You know it's never too late?...
Cause you can't rewind?...
What you have done to us

Wont let you stand in our way...

Just cause you are mean, doesn't mean we have to be

(Chorus)

If Today Was Their Last Day, if tomorrow was to late
Would they stop being mean bitches?
Would she regret the chocolate milk?
Leave the rumors in the past?
Stop throwing food at us?...
Would Shyleen stop being mean?
Cavell stop giving dirty looks?
Would they forget their enemys?
Would they finally give it up?
After all that they have done?
Would they just leave us alone?
If today was their last day... ?
