Uh-Oh

There you go again talking shit about us

Yeah you!

Your catlike, got everybody throwing up

I know, how you always seem to go for the famous
stars insted of freaks

But read these lyrics & you will see

(Chorus)

If we were killers

You'd be the victim

And I'de have the hatchet

That I chopped you with

In the end we'd be laughing

Watching you suffer

Fade to death

Dying preps

Play a happy song

Yeah!

Yeah, yeah

When you prank me

I can hear it in your voice

Oh shure!

Wanna beat me & tell me I'm a bitch

La la

I'll be lauging with tears

Guess you'll never know

We always win

It's funny this scene I'm in

(Chorus)

If we were killers

You'd be the victims

And I'de have the hatchet

That I chopped you with

In the end we'd be laughing

Watching you suffer

Fade to death

Dying preps

Play a happy song

Wish I could tell you your a bitch
Some kind of playdough in disguise
Were killers, it's for real
Now it's fun, wish I could tell you there's a gun
There's something more in my hand
I see it
This is amazing (This is amzing)

(If we were killers)

(Chorus X3)
If we were killers
You'd be the victim
And I'd have the hatchet
That I chopped you with
In the end we'd be laughing
Watching you suffer
Fade to death
Dying preps
Play a happy song
