Yea, cyberbully & balogga hights

I see that fagg running from pain
Ain't the the reason I have an axe
You ain't gunna be found dancing with him
I got a better solution for you fagg

Just get off of her now say the word and I'll kill
I'll be the killer I'll murder that hoe
You'll see I side of me you never known
I can you you bleeding now, bleeding now

In my head, I see you all over her
In my head I kill that fagg in 1, 2, 3
In head head, you'll be screaming stop
In my head your bleeding now,
My head your bleeding now,
My head, my head

Some whores just know all the right things to say
When it comes down right to sex you take any
Instead of muder let me demonstate
Get down to killing and skip beating

Just get off of her now say the word and I'll kill
I'll be the killer I'll murder that hoe
You'll see I side of me you never known
I can you you bleeding now, bleeding now

In my head, I see you all over her
In my head I kill that fagg in 1, 2, 3
In head head, you'll be screaming stop
In my head your bleeding now,
My head your bleeding now,
My head, my head

Your having fun with that slut in my head right now
She'll be screaming stop when my hatchets down

Just get off of her now say the word and I'll kill
I'll be the killer I'll murder that hoe
You'll see I side of me you never known

I can you you bleeding now, bleeding now

In my head, I see you all over her
In my head I kill that fagg in 1, 2, 3
In head head, you'll be screaming stop
In my head your bleeding now,
My head your bleeding now,
My head, my head

In my head, I see you all over her
In my head I kill that fagg in 1, 2, 3
In head head, you'll be screaming stop
In my head your bleeding now,
My head your bleeding now,
My head, my head
