There's only 2 types of people in the world,
The ones that are drunken preps, and the one that are cool.
Well channing, I'll show you ur kind of girl
You don't like the back seat, U gotta be first, oh,
Your like a school leader, you call the shots, (call the shots)
Your like a fire craker, try to make it hot, then attempt to put
On a show,
You feel the heroine runing through all your vains,
Spot light on you, and your ready to break,
I'm like a killer, on a big giant stange,
Better be ready, cuz I'm coming our way.
(Chorus)
All preps just walking down on you, just like a movie
When you want somthing you get it like that, just like like a day dream,
Don't stand there watching me, and saying wheres tashi, slut can't you see,
That your the loser and I'm the winner, just like a movie,
There only two types of girls out there,
The ones that get what they want,
& the others that fail,
Channing, Your the type that get what she feels,
Don't like that back seat, gotta see how it feels,
You think ur a ring leader, then u call the shots,
But I'm the fire cracker, I make it hot, and then I put on show,

You feel the heroine runing through all your vains,
Spot light on you, and your ready to break,
I'm like a killer, on a big giant stange,
Better be ready, cuz I'm coming our way.
(Chorus)
All preps just walking down on you, just like a movie
When you want somthing you get it like that, just like like a day dream,
Don't stand there watching me, and saying wheres tashi, slut can't you see,
That your the loser and I'm the winner, just like a

movie,
(Chorus)
All preps just walking down on you, just like a movie
When you want something you get it like that, just like
like a day dream,
Don't stand there watching me, and saying wheres
tashi, slut can't you see,
That your the loser and I'm the winner, just like a movie
