Lets have some fun,  
My bullet is thick  
I wanna put the gun to your head & shoot your temple

Lets have some fun,  
My bullet is thick  
I wanna put the gun to your head & shoot your temple

I wanna kill you.  
But if I do, I might get addicted, fag.  
Your complicated and stupid...

Got my gun to your head, whatcha gonna do...  
Guess he wants to play,  
Want to play,  
A kill game  
A kill game

Punch you & kick you  
Just wanna stab you for a minute  
Stupid fag, 3 seconds is enough  
To shoot a gun through your head

(Chorus)  
Lets have some fun,  
My bullet is thick  
I wanna put the gun to your head & shoot your temple  
Don't think to much, just let me shoot you.

I wanna put the gun to your head & shoot your temple...

Lets play a kill game,  
Play a kill game  
Do you want murder or do you want shame?  
Are you in the game?  
Dans le kill game?

Lets play a kill game,  
Play a kill game  
Do you want murder or do you want shame?

Are you in the game?

Dans le kill game?

I'm on a mission...  
& it involves some heavy stabbing, yeah.  
You've messed with me,  
I'm educated in murdering!

& Now I want it bad,  
Want it bad  
A kill game  
A kill game

Punch you & kick you  
Just wanna stab you for a minute  
Stupid fag, 3 seconds is enough  
To shoot a gun through your head

(Chorus)  
Lets have some fun,  
My bullet is thick  
I wanna put the gun to your head & shoot your temple  
Don't think to much, just let me shoot you.

I wanna put the gun to your head & shoot your temple...

Lets play a kill game,  
Play a kill game  
Do you want murder or do you want shame?  
Are you in the game?  
Dans le kill game?

Lets play a kill game,  
Play a kill game  
Do you want murder or do you want shame?

Are you in the game?  
Dans le kill game?

I couldnt see you cheating there,  
From across the town...  
With a smile on your face  
& your hand on her huh...

The story of yours it always starts,  
The same with a boy & a girl & a huh & a game!

Lets play a kill game,  
Play a kill game  
Do you want murder or do you want shame?  
Are you in the game?  
Dans le kill game?

Lets play a kill game,  
Play a kill game  
Do you want murder or do you want shame?

Are you in the game?  
Dans le kill game?

Lets play a kill game,  
Play a kill game  
Do you want murder or do you want shame?  
Are you in the game?  
Dans le kill game?

Lets play a kill game,  
Play a kill game  
Do you want murder or do you want shame?

Are you in the game?  
Dans le kill game?...
