Axe plus noob, imma kill him one time
Axe plus noob, imma kill him one time
Axe plus noob, imma kill him one time
One time, one time

When you met her in grade six, not good
Now my death thrills in my mind wont stop, stop
Even though it's an addiction, noob has gotta go
And we gunna keep, keep killing till that noob is gone

And my knife in his head,
And my saw in his throt
And my nails in his arms
And noob I got my

One axe, my one gun, my one chance for sure
Imma kill him one time, imma kill him one time
And imma be your worst fear, my number one victim
Always make you cry, fa sho
Imma kill him one time,
Imma kill him one time

You look so scared, you know that it makes me laugh
Your by my knife, and your trouble no more trouble me,
Your mom has called, didn't tell it was you,
What ever I want, I can do it to noob

And my knife in his head,
And my saw in his throt
And my nails in his arms
And noob I got my

One axe, my one gun, my one chance for sure
Imma kill him one time, imma kill him one time
And imma be your worst fear, my number one victim
Always make you cry, fa sho
Imma kill him one time,
Imma kill him one time

Codys got fear, all the tools I could ever need
And imma kill him one time,
Kill him with anything I need,

Down to my last shot
Noob makes my angry, I know what I'll do
I'll kill that noob cause,
He is a fagg, (to kill)

One axe, my one gun, my one chance for sure
Imma kill him one time, imma kill him one time
And imma be your worst fear, my number one victim
Always make you cry, fa sho
Imma kill him one time, noob I hate, noob I hate you
Imma kill him one time, noob I hate, noob I hate you

Axe plus noob, imma kill him one time
Axe plus noob, imma kill him one time
Axe plus noob.
