(Hey, hey)  
Mariah!  
Carmie!  
Yeah  
Cyber Bully x3  
Lets kill this fag

I've been, thinking, about you, and that girl, you were  
high with  
Kayla is a fucking whore, why do you like her so?  
There's nothing left to say, don't waste another day  
Just me and hatchet now, she wont be okay  
If it's alright with you, then it's alright with me  
I'm gonna kill that girl, lets go now Carmie

(Chorus)  
I will kill her, I will kill her, I will kill her, That fucking  
whore  
I will kill her, I will kill her, I will kill her, With a hatchet  
Lets kill her now (Kill her now), Lets kill her now (Kill her  
now),  
Lets kill her now (Kill her now), Lets kill her now (Kill her  
now),  
Lets kill her now

You are, an ogar, you have a, big nose, it's gross  
And your, hair is greasy, I hate you, get a life you  
whore

There's nothing left to say, don't waste another day  
Just me and hatchet now, she wont be okay  
If it's alright with you, then it's alright with me  
I'm gonna kill that girl, lets go now Carmie

(Chorus)  
I will kill her, I will kill her, I will kill her, That fucking  
whore  
I will kill her, I will kill her, I will kill her, With a hatchet  
Lets kill her now (Kill her now), Lets kill her now (Kill her  
now),  
Lets kill her now (Kill her now), Lets kill her now (Kill her  
now),

Lets kill her now

Mariah tell errrrrrrrrr!

Hey Kayla, you are so disgusting, you have a fucking  
huge nose  
You are greasy and your gross, you are a fucking ugly  
whore  
You stupid bitch, your are jelous, get a life, leave me  
and Mitch alone  
I'll kill you with an axe, you stupid hoe

Carmie tell iiiitttttttttt now!

Kayla your a fucking whore, your a faggot, get a life  
I hope you die, I hope you burn, I hope you rot in hell  
Leave Mitch and Mariah alone, cause your a fucking  
jelous whore  
Get a fucking life I'll kill you with a hatchet (With a  
hatchetx2)  
Oh, fag, fag

There's nothing left to say, don't waste another day  
Just me and hatchet now, she wont be okay  
If it's alright with you, then it's alright with me  
I'm gonna kill that girl, lets go now Carmie

(Chorus)  
I will kill her, I will kill her, I will kill her, That fucking  
whore  
I will kill her, I will kill her, I will kill her, With a hatchet  
Lets kill her now (Kill her now), Lets kill her now (Kill her  
now),  
Lets kill her now (Kill her now), Lets kill her now,  
Lets kill her now...
