I wanna kill Cody
With a hatchet
I don't care what anyone says
I got lamas on my mind
Thinking about killing
Gonna show you how we are the best

Put poison in your mouth
Keep you runnin' around
Cause I hate you, yeah
Tape your hands to your hips
Take you down, sink your ship
Sorry, I can't resist

(Chorus)
I wanna live my life the way that I wanna
Cut off heads, can you live with that?
Build a Marmie like we never had
Cause I only wanna live my life
I wanna ride right on a unicorn, and eat slices of
yummy cheese
Make fun of, Dustin wanna-be
Cause I only wanna live my life

Jamie kyte looks like a fishy
& Stacey's a lama
Big PaPa M's nostrils are large
& Jill your a whore
Cody's a player
& I need a stakeout right now!

Put poison in your mouth
Keep you runnin' around
Cause I hate you, yeah
Your all wrong, we are right
Got permission to kill tonight
So run for your life

(Chorus)
I wanna live my life the way that I wanna
Cut off heads, can you live with that?
Build a Marmie like we never had

Cause I only wanna live my life
I wanna ride right on a unicorn, and eat slices of
yummy cheese
Make fun of, Dustin wanna-be
Cause I only wanna live my life

Now I'm goin' crazy
I'm tired of lamas
My tempers on fire
We just want you to know
Were losin' our heartaches
Fuck the time that we wasted

Put poison in your mouth...
Put poison in your mouth...
Put poison in your...

(Chorus)
I wanna live my life the way that I wanna
Cut off heads, can you live with that?
Build a Marmie like we never had
Cause I only wanna live my life
I wanna ride right on a unicorn, and eat slices of
yummy cheese
Make fun of, Dustin wanna-be
Cause I only wanna live my life

I wanna live my life the way that I wanna
Cut off heads, can you live with that?
Build a Marmie like we never had
Cause I only wanna live my life
I wanna ride right on a unicorn, and eat slices of
yummy cheese
Make fun of, Dustin wanna-be
Cause I only wanna live my life
