Head down to codys,  
& Carmie tells me, to breathe easy for a while...  
Breathing gets harder, as we get closer  
Made pain for me, but it's to soon to see  
If I'm going to kill you, I'm unusually hard to suck up to

Preps Stare, at Mariah & Carmie  
No easy way to say this  
You mean bad, & you make this hard on us...

(Chorus)  
I'm going to write you a mean song,  
Cause you asked for it,  
Cause you deserve one, you see  
I'm going to make you a mean song,  
Cause you tell me that I'm a bitch & I need a life,  
I'm going to write you away  
If all you do is complain  
It gives me a better reason to write you a mean song  
Today

I learned the hard way, that the preps say things you  
don't wanna hear  
My thick boot sinks deep in your ass  
& Your twisted words, they don't hurt  
Your not as cool as you think you are  
Hello to high & drunk

Changed me to please you  
Made me think that I needed to  
I'm trying to let you hear me scream...

(Chorus)  
I'm going to write you a mean song,  
Cause you asked for it,  
Cause you deserve one, you see  
I'm going to make you a mean song,  
Cause you tell me that I'm a bitch & I need a life,  
I'm going to write you away  
If all you do is complain  
It gives me a better reason to write you a mean song  
Today

Promise me, you'll get the lice gone?  
To keep me clean  
The areopastale is your guide true  
Cause I believe  
There's a way  
Everyone can hate you  
Beacause I say

(Chorus)

I'm going to write you a mean song,  
Cause you asked for it,  
Cause you deserve one, you see  
I'm going to make you a mean song,  
Cause you tell me that I'm a bitch & I need a life,  
I'm going to write you away  
If abercombie isn't in it  
You don't want it for a minute  
Bitch, I'll walk to seventh seas to make you believe that  
there's a reason  
I'm writting you a mean song  
Today
