Sha,
Sha,
Sha,

I probley shouldn't say this,
Because I will get beat,
But there's a few liitle things
That I would like to share,
There not awesome,
I don't like them,
They are secrets,
But why would anybody one care,
And every single ones about the people
That I see each, and everyday,
I swear.

The secrets and things I wanna spill
The secrets and things I wanna spill, oh yeh

(Chorus)
Dustins gay,
Butters is lame,
Jills imiture,
Kelsey like liitle boys
Jenna b likes girls,
Summer is fat
I can't deny.
The only reson logan has shit,
She steals,
Kelsey like liitle boys,
And you know it's true,
And channing has lice 2,
Also, that's true too
An now I wanna tell you the main thing,
& that one main thing I have to say is...
That I do not like pie

Now it's aquward,
And it's silint,
B.c I told you that one thing,
And I for got one thing,
Cody looks like a rat,

I can't believe it,
It's so weird,
That I never liked pie, not at all,
No way dear...
So if all you don't believe me,
That is fine but I must make this song rhyme,
Ok?

The secrets and things I wanna spill...

(Chorus)
Dustin's gay,
Butters is lame,
Jill's imitator,
Kelsey like little boys
Jenna B likes girls,
Summer is fat
I can't deny.
The only reason Logan has shit,
She steals,
Kelsey like little boys,
And you know it's true,
And Channing has lice 2,
Also, that's true too
And now I wanna tell you the main thing,
& that one main thing I have to say is...
That I don't like pie

And compared to all of those things,
I have some more to write,
These doseys right here,
Will keep me up all night,

The things that are secret from us,
We never liked either,
Cody or dust
And I hate Butters,
It's a must
I'm always mad,
You always cry,
But all that crying makes me buy,
I always thought that people were cool when they said
they like pie,
And but I don't, so I have to sing now,
And the one main thing this song was even about...
Is that I don't like pie,

Sha, sha, I don't, ohh.
OH OH OH OH OH, OH OH Oh, alalala
