How come Dustin looks mexican?
& Cody looks like a rat?
I feel like killing them
& I really hate them

I have acid
& Hatchets
& I say things of them being dead
Look at him, that weedy rat
I wanna kill them!

(Chorus)
Everything yous do
It's making us more confussed
Oh, it used to be easy
But it's not anymore
You players...
Everywere you go
You better watch out cause were stalking
Oh, I'm hoping that I'm dreaming
Cause I'm sick of this feeling
You players...

Somebody help us...

La La La
La Di Da

Well you better hide Cody Fogarty
Cause were going on Stakeout
Dustin you to, were gonna get you
SO RUN FOR YOUR LIFE!

(Chorus)
Everything yous do
It's making us more confussed
Oh, it used to be easy
But it's not anymore
You players...
Everywere you go
You better watch out cause were stalking
Oh, I'm hoping that I'm dreaming

Cause I'm sick of this feeling
You players...

Could somebody help us (U)?...

Gonna kill you, beat you
Everythings gonna be okay, cause today
Cause I'm gonna kill you

Made it through the tears
Don't know how to get outta this
You players...

Can somebody help us?...

La La La

(Chorus)
Everything yous do
It's making us more confused
Oh, it used to be easy
But it's not anymore
You players...
Everywere you go (Everywere you go)
You better watch out cause were stalking
Oh, I'm hoping that I'm dreaming
Cause I'm sick of this feeling
You players...

SOMEBODY HELP US!
(You players...)
