You don't understand what it is  
That makes us sing, but you wish you did  
Your always creeping, guessing, wonderin'  
I laugh because you just lose out every time

If only you knew we talk about you  
When I'm with Mariah just hangin' out  
Then you'd have the inside scoop  
On what we say, what we do  
That way you can talk shit  
But you always lose

(Chorus)  
You should stop being a rat on the wall  
A creepy little sneaky little rat on the wall  
All my precious secrets, yeah, you'd know them all  
So stop being a rat on the wall

You'd love to know the things we say,  
When I'm with Carmie and not with you  
Your always creeping, guessing, wonderin'  
If there's other people I'm making videos about  
You would know by now

If you were my bestfriend, I'd be true to you  
If I make a promise, I'm comin' through  
Don't you wish that you could  
See me every second of the day  
That way you would have no doubt  
That were evil in every single way

(Chorus)  
You should stop being a rat on the wall  
A creepy little sneaky little rat on the wall  
All my precious secrets, yeah, you'd know them all  
So stop being a rat on the wall

A little communication  
Well, that will go a long way  
You're getting a little song today  
Too much she said, he said

And what I say is  
Come a little closer  
And what I'm gonna say is

You should, You should  
You should, You should  
Stop being a?  
Hey

(Chorus)  
You should stop being a rat on the wall  
A creepy little sneaky little rat on the wall  
All my precious secrets, yeah, you'd know them all  
So stop being a rat on the wall
