Oh your fake, your so fake. and I'm
Thinking of what I'm gunna do tonight.
I think I'm gunna go on a steakout
Wake up mariah and we will go out
You and your lies. you and your lies, fag
Were gunna kill you without a doubt. &
Don't worry were not going. to forget about jenna and

(Chorus)

EVERY WHERE WE that FRIGGING GO,
Your creeping in our minds, & can't you go!
Don't worry stacey we will kill him soon,
Preety soon he will be in hell with papa.
Don't woory mariah, he will pay.
And when were done,
Hell look like somthing strange,
BUT, it's ok.
B.c we will kill him soon.
We are gunna kill him soon.
You know were strong, you know were strong, and.
You better find a good hiding place
Cuz when were done,
Your not gunna have a face.
All them thing that youve done...
Were not gunna let it go.
Cheating, lying, and smoking weed,
Were gunna kill you in your sleep:)
