Dustins like a tempt of kill in my head  
That I can't keep out got me stabbing now  
Ha ha ha ha, everyday it's like that whore is giving him  
head

Dustins like a tempt of kill in my head  
That I can't keep out got me stabbing now  
Ha ha ha ha, everyday it's like that whore is giving him  
head

Remeber the first time we met you were at macdonalds  
with your friend,  
I was puking cause you were so gross, but then you  
asked my number  
And I gave you logan hayes's instead,  
Who would of ever known, that we would ever be more  
then friends  
But now I hate singing you songs bout pain  
He's like a baby being born again

That boy, looks just like a mexican  
That boy, is a fagg they say  
That boy, is like a gun to my head  
Murders running through my head all day

Dustins like a tempt of kill in my head  
That I can't keep out got me stabbing now  
Ha ha ha ha, everyday it's like that whore is giving him  
head

Dustins like a tempt of kill in my head  
That I can't keep out got me stabbing now  
Ha ha ha ha, everyday it's like that whore is giving him  
head

I see an axe right in front of me, not once has it left my  
mind  
I think of killing, till night till the morn,  
Damn he really changed my life  
I did things I'd never do,  
Like in the kitchet with oxy clean and cuts  
Illl kill him, break all the rules  
Someday I'll put him in his grave

That boy, looks just like a mexican  
That boy, is a fagg they say  
That boy, is like a gun to my head  
Murders running through my head all day

Dustins like a tempt of kill in my head  
That I can't keep out got me stabbing now  
Ha ha ha ha, everyday it's like that whore is giving him  
head

Dustins like a tempt of kill in my head  
That I can't keep out got me stabbing now  
Ha ha ha ha, everyday it's like that whore is giving him  
head

I can be that murderer, fagg I can make you bleed all  
over her  
The one that can crush all your mexican dreams,  
Come on fagg cry it with me  
I can be that murderer, fagg I can make you bleed all  
over her  
The one that can crush all your mexican dreams,  
Come on fagg cry it with me

Dustins like a tempt of kill in my head  
That I can't keep out got me stabbing now  
Ha ha ha ha, everyday it's like that whore is giving him  
head  
Dustins like a tempt of kill in my head  
That I can't keep out got me stabbing now  
Ha ha ha ha, everyday it's like that whore is giving him  
head
