Hawcos call you skanky
But we don't care what they say
Because you see, everytime you turn around their
screaming your name
Hawcos call you skanky
But we don't care what they say
Because you see, everytime you turn around their
screaming your name
MEXICAN!

Now I got a confesstion (Ha, Ha, Ha, Ha)
Carmie went out with a mexican (Ha, Ha, Ha, Ha)
Always wondered why she did that (Ha, Ha, Ha, Ha)
Everything they did was really disgusting (Ha, Ha, Ha, Ha)

But I aint complain, I wanna kill Dustin
So, I will kill him with the hatchet
She know's what it's like to be a whore
Well, you know I'm gonna kill you
Cause even on easter I would say...

(Chorus)
When I kill Dustin, I'm gonna be famous
I'm gonna be star, I'm gonna be in movies
When I kill Dustin, I'm gonna see the world
Drive nice Carias, I'm gonna think it's funny
When I kill Dustin, I'll be on TV
E.J. after me, I'll be in magazines
When I kill Dustin, it will be fresh & clean
Number one killer at the crime scene

But be careful what you do, cause you just might get it
Cause you just might get it, cause you just might get it
But be careful what you do, cause you just might get it
Cause you just might get it, cause you just might get it,
get it

I used to be friends with that dirtbag (Ha, Ha, Ha, Ha)
I just might kill the mexican (La, La, La, La)
I always wanted to be a murderer (Ha, Ha, Ha, Ha)
& I think that you should just drop dead (La, La, La, La)

But I aint complain, I wanna kill Dustin
So, I will kill him with the hatchet
She know's what it's like to be a whore
Well, you know I'm gonna kill you
Cause even on easter I would say...

(Chorus)

When I kill Dustin, I'm gonna be famous
I'm gonna be star, I'm gonna be in movies
When I kill Dustin, I'm gonna see the world
Drive nice Carias, I'm gonna think it's funny
When I kill Dustin, I'll be on TV
E.J. after me, I'll be in magazines
When I kill Dustin, it will be fresh & clean
Number one killer at the crime scene

But be careful what you do, cause you just might get it
Cause you just might get it, cause you just might get it
But be careful what you do, cause you just might get it
Cause you just might get it, cause you just might get it,
get it

You are talking to me,
Carmie comes around the corner & tells you to hush up
& Tells me to come along
You can talk about me, cause I really don't care
You were talking to me, talking to me
Well, shutup cause I hate you

When I kill Dustin, I'm gonna be famous
I'm gonna be star, I'm gonna be in movies...

GOT IT?...

(Chorus)

When I kill Dustin, I'm gonna be famous
I'm gonna be star, I'm gonna be in movies
When I kill Dustin, I'm gonna see the world
Drive nice Carias, I'm gonna think it's funny
When I kill Dustin, I'll be on TV
E.J. after me, I'll be in magazines
When I kill Dustin, it will be fresh & clean
Number one killer at the crime scene

But be careful what you do, cause you just might get it
Cause you just might get it, cause you just might get it
But be careful what you do, cause you just might get it
Cause you just might get it, cause you just might get it,
get it
