Speak no evil  
Speak no evil

You can?t tell me  
How to run my life  
You can?t tell me  
Drugs you?re using

You?re talking loud  
And saying nothing  
Walking proud  
And going nowhere fast  
You know

If you could tell me  
How to find belief  
If you told me  
I?d believe you

Speak no evil  
Hear no evil  
See no evil  
I?ll close my eyes  
You know, love grows

4 ever 2 gether, 4 years 2 come  
4 love 2 strong, 4 us 2 part  
4 ever 2 gether, 4 years 2 come  
4 love 2 strong, 4 us 2 part

I stuck a marriage proposal  
In the waste disposal  
If that?s the trash aesthetic  
I?d suggest that we forget it

Your twelve disciples  
Might kiss and tell  
But you can tell me  
Much more than they can  
Right now

A mathematical equation

Won't describe my liaison  
The stars in the sky  
Might try persuading

But you can tell me  
I won't hear you  
You can't tell me  
I gave up the listening years ago

4 ever 2 gether, 4 years 2 come  
4 love 2 strong, 4 us 2 part  
4 ever 2 gether, 4 years 2 come  
4 love 2 strong, 4 us 2 part

So you're broken heart  
Here, take it to the mender  
I got something  
On the agenda

Speak no  
Speak no  
Speak no evil

4 ever 2 gether, 4 years 2 come  
4 love 2 strong, 4 us 2 part  
4 when 2 hearts, but strong and sweet  
1 promise, I can never meet

Forgive and forget, 4 goodness sake  
4 love this strong, might make or break  
4 ever 2 gether, 4 years 2 come  
4 love 2 strong, 4 us 2 part

Two's a party, three's a crowd  
I'm surprised what get's allowed  
Three coins inside the fountain  
You saw Mohammed move the mountain

Speak no evil, speak no evil  
Speak no evil, speak no evil  
Your sincerely, have nearly  
Your spiritfully, well eventually  
Speak no evil, speak no evil
