See the girl in the Cabriolet
I'm gonna make her mine someday

The traffic stops and she steps out
Every man starts to scream and shout

There's a space in the week
It's a date I can keep, oh yeah

Seven day, seven day, seven day
It's a seven day weekend
Seven day, seven day, seven day
It's a seven day weekend

See the girl in the pale peach dress
She's got a body build to caress

Like a one-eyed cat outside a seafood store
She's got me begging more, more, more

I've been saving and saving
And saving my money
To spend it on her

Seven day, seven day, seven day
It's a seven day weekend

Seven day

Seven day

Seven day
It's a seven day weekend
