Let me take you to Trafalgar Square
Let me take you there
Every street's a fashion catwalk, everyone's debonair
Let me take you to Piccadilly guess it leads somewhere

Tower over centuries, tower over London
Tower up and frankly I'm amazed
What's done cannot be undone, not here not in London
What's done can never be erased

So, tower up, it's those little things
Make life interesting, tower of London
Tower up wasting time
Your's and mine, tower of London

Let me take you to St.James's Square
Let me groove you there
Diplomats get target practice in the open air
Psychobillies scream blue murder then they hit Mayfair

Tower over centuries, tower over London
Tower up and frankly I'm amazed
What's done cannot be undone, not here not in London
What's done can never be erased

So, tower up, it's those little things
Make life interesting, tower of London
Tower up wasting time
Your's and mine, tower of London
London hey, London, hey

So, tower up, it's those little things
Make life interesting, tower of London
Tower up wasting time
Precious time, tower of London

Tower up I'll meet you there
I'll be there tower of London
New York don't make me laugh
I've seen photographs tower of London
