Do you remember Sunday nights, summer time at
shoom?
Joy big enough to fill the world, just inside that room
Do you remember Friday nights at the hacienda?
Armistice for gangs, no fights, just beats to make the
world surrender

Was it all a dream?
Was it some nightmare?
Crazy as it seems
Love was in the air

No war, no hate, no more
If you'd unlock the secrets of your
No war, no hate, no more
If you'd unlock the secrets of your heart, heart

Day to day existence got it's gentle grip on you
Suffocating your soul, eclipsing everything you do

Was it all a dream?
Was it some nightmare?
Crazy as it seems
Love was in the air

No war, no hate, no more
If you'd unlock the secrets of your
No war, no hate, no more
If you'd unlock the secrets of your heart, your heart,
heart

Everybody just looking for an answer

Everybody live with indecision
Everybody seek, everybody find

Everybody want to dance till sunrise
Everybody want to sweat some noise
Everybody want to kiss that DJ
Every single girl, every single boy

Everybody got their own sweet wisdom

Everybody just a look to start
Everybody got it, inside their heart

Was it all a dream?
Was it some nightmare?
Crazy as it seems
Love was in the air

No war, no hate, no more
If you'd unlock the secrets of your
No war, no hate, no more
If you'd unlock the secrets of your heart, heart, heart,
heart

No war, no hate, no more
