I was a rich man, I was a thief  
I was a sailor, shipwrecked on a reef  
I was a coward, I was afraid  
I was courageous, man, I was brave

Until the oceans dry  
Until the day you die  
Until the stars fall out the sky

Welcome to the real world, baby  
Welcome to the way things are  
Welcome to the real world, darling  
Step on for shangrila

Welcome to the real world, baby  
Paradise guarantee  
Welcome to the real world  
Come and see what we've bequeathed

I was an angel, idolized  
I was a devil in a disguise  
I was a stallion, I was a mule  
I was misguided but nobody's fool

Until the oceans dry  
Until the day you die  
Until the stars fall out the sky

Welcome to the real world, baby  
Welcome to the way things are  
Welcome to the real world, darling  
Step on for shangrila

Welcome to the real world, baby  
Paradise guarantee  
Welcome to the real world  
Come and see what we've bequeathed

The day that I was born  
Daddy placed me on his knee  
Said son you've got to be  
A better man than me

You're inheriting the world  
Make your mark on history  
Welcome to the real world  
Be what you've got to be

Welcome to the real world, baby  
Welcome to the way things are  
Welcome to the real world, darling  
Step on for shangrila

Welcome to the real world, baby  
Paradise guarantee  
Welcome to the real world  
Come and see what we've bequeathed

Welcome to the real world, baby  
Welcome to the real world, darling  
Welcome to the real world, baby  
Welcome to the real world  
Come and see what we've bequeathed
