If only I could stand
On my own two feet
Oh honey, then I'd know
Life could be so sweet

Someone to drive
Someone to blame
Someone to rush through my veins
Someone to wash it all away

Who can I turn to now
If not you?
Tell me, who can I turn to
If not you?

If I could get what I want for free
Then I wouldn't have to borrow
Take a tranquilizer from your limousine driver
Before we crash into tomorrow

Someone to love
Someone to hold me
Someone so courageous
Someone to drag me in from the cold, from the cold

Who can I turn to now
If not you?
Tell me, who can I turn to
If not you?

Who can I turn to now
If not you?
Tell me, who can I turn to
If not you?

Who can I turn to now
If not you?
Tell me, who can I turn to
If not you?

Who can I turn to now?
(Tell me who)

Who's gonna be there?
(If not you)

Tell me who, tell me, tell me who, tell me
Who can I turn to?
(If not you)
Ooh
(Tell me who)
You've got to, you've got to tell me who
