Visit "[Why](#)" on MotoLyrics.com

I was always a loner because I think for myself
You never accepted me for me but why did you pretend
Why should I speak when no one ever listens to me
Inside I die misery my only friend

[Chorus:]

Why Why Why can't I be me
Why Why Smothered from reality
Scream Scream Someone listen to me
Scream Scream Pay attention to me

I will be what you want me to be I will think what you
want me to think
My reason for being only my parents to please
I'm not the perfect child you made me out to be
My problems my imperfections you never wanted to
see

[Chorus]

Dear Mom and Dad,
I write this letter telling you
I am now free. It was your lack of
Love and attention is what killed
Me. So don't blame some heavy metal
Record to cover your own neglect.
Your perfect picture turned fatal,
Portrait not what you've come to expect

Each time I squeeze the trigger the pain slowly
subsides
Put the gun to my own head now I too must die

Die Die Dying to be me
Why Why Smothered from reality
Scream Scream Someone listen to me
Scream Scream Pay attention to me

Eighteen years I've hurt in silence and now they ask
why
Why did he snap Why did he kill He was always the
perfect child

Live your life through me and telling me how to live
Sheltered from reality did anyone care how I felt
Five o'clock on the evening news child goes on a killing
spree
Now I have your attention Now you'll listen to me

[Chorus]
