Give that ho a blunt, let her smoke, she'll be super
geek
Buy that ho a pill, let her roll, have her super weak
Give that ho a cup of liquor, you ain't even gotta speak
Get that bitch off in your room and watch her turn into a
supafreak
She a supafreak, yeah that ho a supafreak, hey
She a supafreak, yeah that ho a supafreak, hey
She a supafreak, yeah that ho a supafreak, hey
She a supafreak, yeah that ho a supafreak, hey

Hey I can't fuck with shawty, she be on that other shit
She fucked me and my partners plus the boy she see
her brother with
Her mother get an attitude when she out all day
She be skipping class, giving ass in the hallway
Shawty always on the move, she so silly tho
She say she staying in school so she can go be in a
video
And she act like she really know all these superstars
She be hanging with them, plus be riding in they
supercars
Call her superbroad, cause this chick right here is
super right
Get a beam with a superbite and have a super night
Now she super dyke, cause she date this ho she used
to like
And her favorite candy lollipop so she can suck a pipe
Anybody can get her meaning that you can get her too
And she everybody freak so she gone be a freak to you
She like childish games like Connect Four and
sometimes peek-a-boo
And as soon as you meet her with her tongue she'll do
a trick or two

Give that ho a blunt, let her smoke, she'll be super
geek
Buy that ho a pill, let her roll, have her super weak
Give that ho a cup of liquor, you ain't even gotta speak
Get that bitch off in your room and watch her turn into a
supafreak
She a supafreak, yeah that ho a supafreak, hey

She a supafreak, yeah that ho a supafreak, hey
She a supafreak, yeah that ho a supafreak, hey
She a supafreak, yeah that ho a supafreak, hey

Shawty like her ninfo cause her info tell me so
Cause her shirt say "I'm a bitch" and her pants say "I'm
a ho"
Plus she super slow, on that fact alone you know she
hell
Shawty fucked a nigga 17 when she was only 12
But can hardly spell, half the shit she always used to
say,
Like I'm a quarterpiece, "Q-U-O-T-T-A"
Shawty where you stay, up the street, down on Central
Drive
"C-E-N-T-R-A-L D-R-I"
You a lie, boy I never flex, this is what she do
See she super cute, she know it doesn't matter to you
That she ain't finish school, got kicked out the cribs
and like with you
Might have a kid or two, that anyone can be the daddy
to
Is it really you who said that you could never do without
her
Every time she hit the hood, you would always talk
about her
Now you wish you never seen her, look at Trina like a
hollyhood bitch
On some hood shit who fuck with everybody

Give that ho a blunt, let her smoke, she'll be super
geek
Buy that ho a pill, let her roll, have her super weak
Give that ho a cup of liquor, you ain't even gotta speak
Get that bitch off in your room and watch her turn into a
supafreak
She a supafreak, yeah that ho a supafreak, hey
She a supafreak, yeah that ho a supafreak, hey
She a supafreak, yeah that ho a supafreak, hey
She a supafreak, yeah that ho a supafreak, hey
