Ain't Mess'n Around

Iâ€™m sick and tired of the status quo and hereâ€™s
something else that you should know
You got it, I want it, I ain't mess'n around
I donâ€™t care about authority, cause they donâ€™t give a
damn about me
I want it, you got it, I ain't mess'n around
Iâ€™m as free as free can be, cause I believe and
nothing can take that from me
cause Iâ€™m as strong as strong can be and I will fight, I
fight for what I believe
We all have our own right to live - you mess with me
then somethingâ€™s gonna give
You got it, I want it, I ain't mess'n around
You call it wrong, but I call it right - you try to stop me
then youâ€™ve got a fight
You got it, I want it, I ain't mess'n around
You got it, I want it, I ain't mess'n around
You got it, we want it, we ain't mess'n around

Come and join us and youâ€™ll see, that we are proud,
cause we got the right to believe
Try to stop us and youâ€™ll see - that we are strong - and
we fight for what we believe
the system doesnâ€™t care â€™bout you or me - it only
cares about prosperity
You got it, we want it, we ain't mess'n around
They lock the gates and they guard the doors - but weâ€™
re good at sneaking thru the cracks and pores
You got it, we want it, we ain't mess'n around
I lost my hope and sensitivity - if that makes me crazy
well I guess thatâ€™s me
You got it, I want it, I ain't mess'n around
You can question my sanity but you canâ€™t question my
integrity
You got it, I want it, we ainâ€™t messâ€™n around! No!
Come and join us and youâ€™ll see, our futureâ€™s now,
and we back up what we believe
Try and shut us out youâ€™ll see that we donâ€™t care,
cause we know what not to believe
Weâ€™re sick and tired of the status quo and hereâ€™s

one more thing that you should know
You got it, we want it, we ain't mess'n around
Don't give a fuck about authority, cause authority
don't give a fuck about me
You got it, we want it, we ain't mess'n around! Ain't
mess'n around
Ain't mess'n around! You got it, we want it, we ain't
mess'n around! No!
