Watchers look around the world behind your thought
Feeling every reaction of mind, across the imagination
Lighting soldiers over the rules, they're waiting for one
last time
Feeling every step on the ground to erase the feared
invaders

The Sun is crying in front of the fading world
Lies disguised in truth

Was a magic dream in endless land...
Now it's just a cemetery lost in a darkened fairy tale
Another Age will die in front the Sun
Will rise a shining Flower, a new game with new rules

Watchers are fighting the evil to bring back a reason
Now the faith is burned from the betrayal of the killers
of religion
Fierce humans against the rules, they're waiting for
one last time
To fight the soldiers of light and sow their cruelty in
time

The Sun is crying in front of the fading world
Lies disguised in truth

Was a magic dream in endless land...
Now it's just a cemetery lost in a darkened fairy tale
Another Age will die in front the Sun
Will rise a shining Flower, a new game with new rules

The silent watchers look the shame of world
Another Age in time is dying in dreams

The Sun is crying in front of the fading world
Lies disguised in truth

Was a magic dream in endless land...
Now it's just a cemetery lost in a darkened fairy tale
Another Age will die in front the Sun
Will rise a shining Flower, a new game with new rules
