Gouge out my eyes precious your not so beautiful
anymore did you already forget the lies you told the
time i know to walk away you deserve everything
darling don't look at me through your sunset eyes or
flash your paper cut out smile you're a disgusting
sculpted by your heart you deserve everything darling
your grotesque from the inside out you deserve
everything now your true colors's are exposed did you
alresdy forget that the whole world can see your
grotesque from the inside out you deserve every
fucking thing my darling
