Hey  
It's been a long time  
Hey  
I'm missing you around  
I know I'm not who you want to see but baby please  
Hey  
Don't walk away from me babe  
Can't you let go of the past  
Please  
I didn't mean to hurt you that way  
Don't you have anything to say

All along why didn't you see  
All along I didn't know what you'd mean to me  
All along you never tried  
You never believed  
All along I needed to learn how to fly  
I needed you by my side  
Maybe we just needed time  
Maybe you just needed out all along

No  
You can't walk back into my life  
No  
I can't afford to fail  
Please go  
I find myself falling again  
No  
Baby won't you please

All along why didn't you see  
All along I didn't know what you would mean to me  
All along you never tried  
You never believed  
All along  
Well I'm gonna learn how to fly  
I can't let you leave me high  
I need you to tell my goodbye  
It will be different this time

All along

All along I just didn't see

Yeah

All along why didn't you see  
All along I didn't know what you'd mean to me  
All along you never tried  
You never believed  
All along I needed to learn how to fly  
I needed you by my side  
Maybe we just needed time  
Maybe you just needed out all along

I

I

I'm sorry baby
