I've been behind on the events of the past 7 days
I've been sleeping in my bed and missing you like
sometimes crazy girls do

I've been hanging like a child onto this photograph of
us
It was taken on bus across town the last time I saw you

And now this whole world is going 'round but it's when
you're gone
It really brings me down
Down

Well I can't get myself together
I'm soaking in the pain
It's ridiculous how easy it is to go astray when my focus
ain't right
Sometimes crazy's alright

And now this whole world is going 'round but it's when
you're gone
It really brings me down
Oh

Oh
Will you wait 'til I get back home again
'Cause I'm willing to give this another chance
Only you baby keep me up at night
Well sometimes crazy's alright

Well I never though I'd say I was in love with you again
It's how funny how my life has come around to this
And I'm crazy for you
I do like crazy girls do

And now this whole world is going 'round but it's when
you're gone
It really brings me down

Oh
Will you wait 'til I get back home again
'Cause I'm willing to give this another chance

Only you baby keep me up at night
Well sometimes crazy's alright
Crazy's alright

Oh
Will you wait 'til I get back home again
(This whole world is going 'round)
'Cause I'm willing to give this another chance
(This whole world is going 'round)
Only you baby keep me up at night
Sometimes

Will you wait 'til I get back home again
(This whole world is going 'round)
'Cause I'm willing to give this another chance
(This whole world is going 'round)
Only you baby keep me up at night
Sometimes crazy's alright
