"Halo"

I never promised you a ray of light
I never promised there'd be sunshine everyday
I give you everything I have
The good
The bad

Why do you put me on a pedestal
I'm so up high that I can't see the ground below
So help me down
You've got it wrong
I don't belong there

One thing is clear
I wear a halo
I wear a halo when you look at me
But standing from here
You wouldn't say so
You wouldn't say so if you were me
And I
I just wanna love you
Oh
Oh
I
I just wanna love you

I always said that I would make mistakes
I'm only human and that's my saving grace
I fall as hard as I try so don't be blinded

See me as I really am
I have flaws and sometimes I even sin
So pull me from that pedestal
(Pull me from that pedestal)
I don't belong there
(I don't belong)

One thing is clear
I wear a halo
I wear a halo when you look at me
But standing from here
You wouldn't say so
You wouldn't say so if you were me

And I
I just wanna love you
Oh
Oh

I
I just wanna love you

Why you think that you know me
But in your eyes I am something above you
It's only in your mind
Only in your mind

I wear
I wear
I wear a halo

One thing is clear
I wear a halo
I wear a halo when you look at me
But standing from here
You wouldn't say so
You wouldn't say so if you were me
And I
I just wanna love you
Oh
Oh
I
I just wanna love you
(I just wanna love you)
