Come to me now and lay your hands over me  
Even if it's a lie say it will be alright and I shall believe

I'm broken in two and I know you're on to me  
That I only come home when I'm so all alone  
But I do believe

That not everything is gonna be the way you think it  
ought to be  
It seems like every time I try to make it right it all comes  
down on me  
Please say honestly you won't give up on me and I shall  
believe  
And I shall believe

Open the door and show me your face tonight  
I know it's true  
No one heals me like you and you hold the key

Never again would I turn away from you  
I'm so heavy tonight but your love is alright and I do  
believe

Come to me now  
And lay your hands over me  
Even if it's a lie  
Say it will be alright  
And I shall believe

I'm broken in two  
And I know you're on to me  
That I only come home  
When I'm so all alone  
But I do believe

That not everything is gonna be the way you think it  
ought to be  
It seems like every time I try to make it right it all comes  
down on me  
Please say honestly you won't give up on me and I shall  
believe  
And I shall believe

Open the door  
And show me your face tonight  
I know it's true  
No one heals me like you  
And you hold the key

Never again  
Would I turn away from you  
I'm so heavy tonight  
But your love is alright  
And I do believe

That not everything is gonna be the way you think it  
ought to be  
It seems like every time I try to make it right it all comes  
down on me  
Please say honestly you won't give up on me and I shall  
believe  
I shall believe  
And I shall believe
